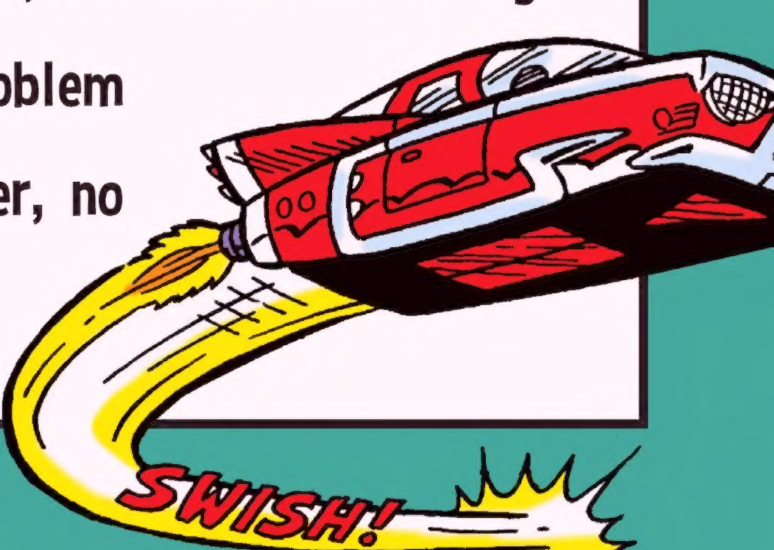
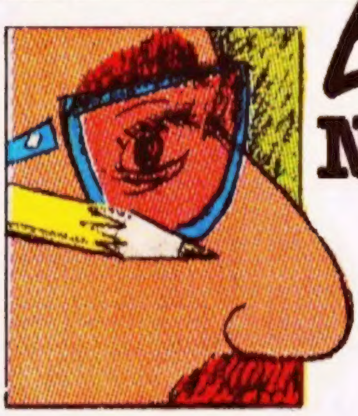
Archie® 3000!®

Picture it: a futuristic world where people travel by flying cards and hoverboards. One where robots can help humans achieve their every need. Now, imagine that futuristic world is actually Riverdale—what do you think will have changed?

The *Archie 3000* series, which originally ran from May 1989 through July 1991, follows the descendants of Archie and the gang living almost one thousand years into the future: realized as a 1950s-style art deco world of flying cars, moving sidewalks, domed houses, and over-the-top "futuristic" hairstyles and clothes! Despite the many new breakthroughs in technology, life for Archie 3000 and his friends is often similar to that of their 20th Century counterparts–as it turns out, homework and dating drama will always be a problem for your everyday teenager, no matter what year it is!





Editor's NOTEBOOK

Dear Archie Readers,

This fan-made Archie 3000 collection was compiled to offer, unlike the official trade paperback release, absolutely all the issues, stories and artwork. Please note that because this collection consists of pages scanned by me and by others, quality, in regards to brightness, color, sharpness and page alignment, will vary. I hope you enjoy!

HOW COME THEY DON'T USE IT ANYMORE?
E=MC²
THE WORLD RAN OUT OF THE FOSSIL FUEL NEEDED TO MANUFACTURE IT BACK AROUND 2136...
BESIDES THAT, IT'S NOT AS GOOD AS DURIUM! IT COULDN'T HEAL ITSELF WHEN BROKEN...
AND IT WASN'T BIODEGRAD-ABLE, WHICH MEANS...

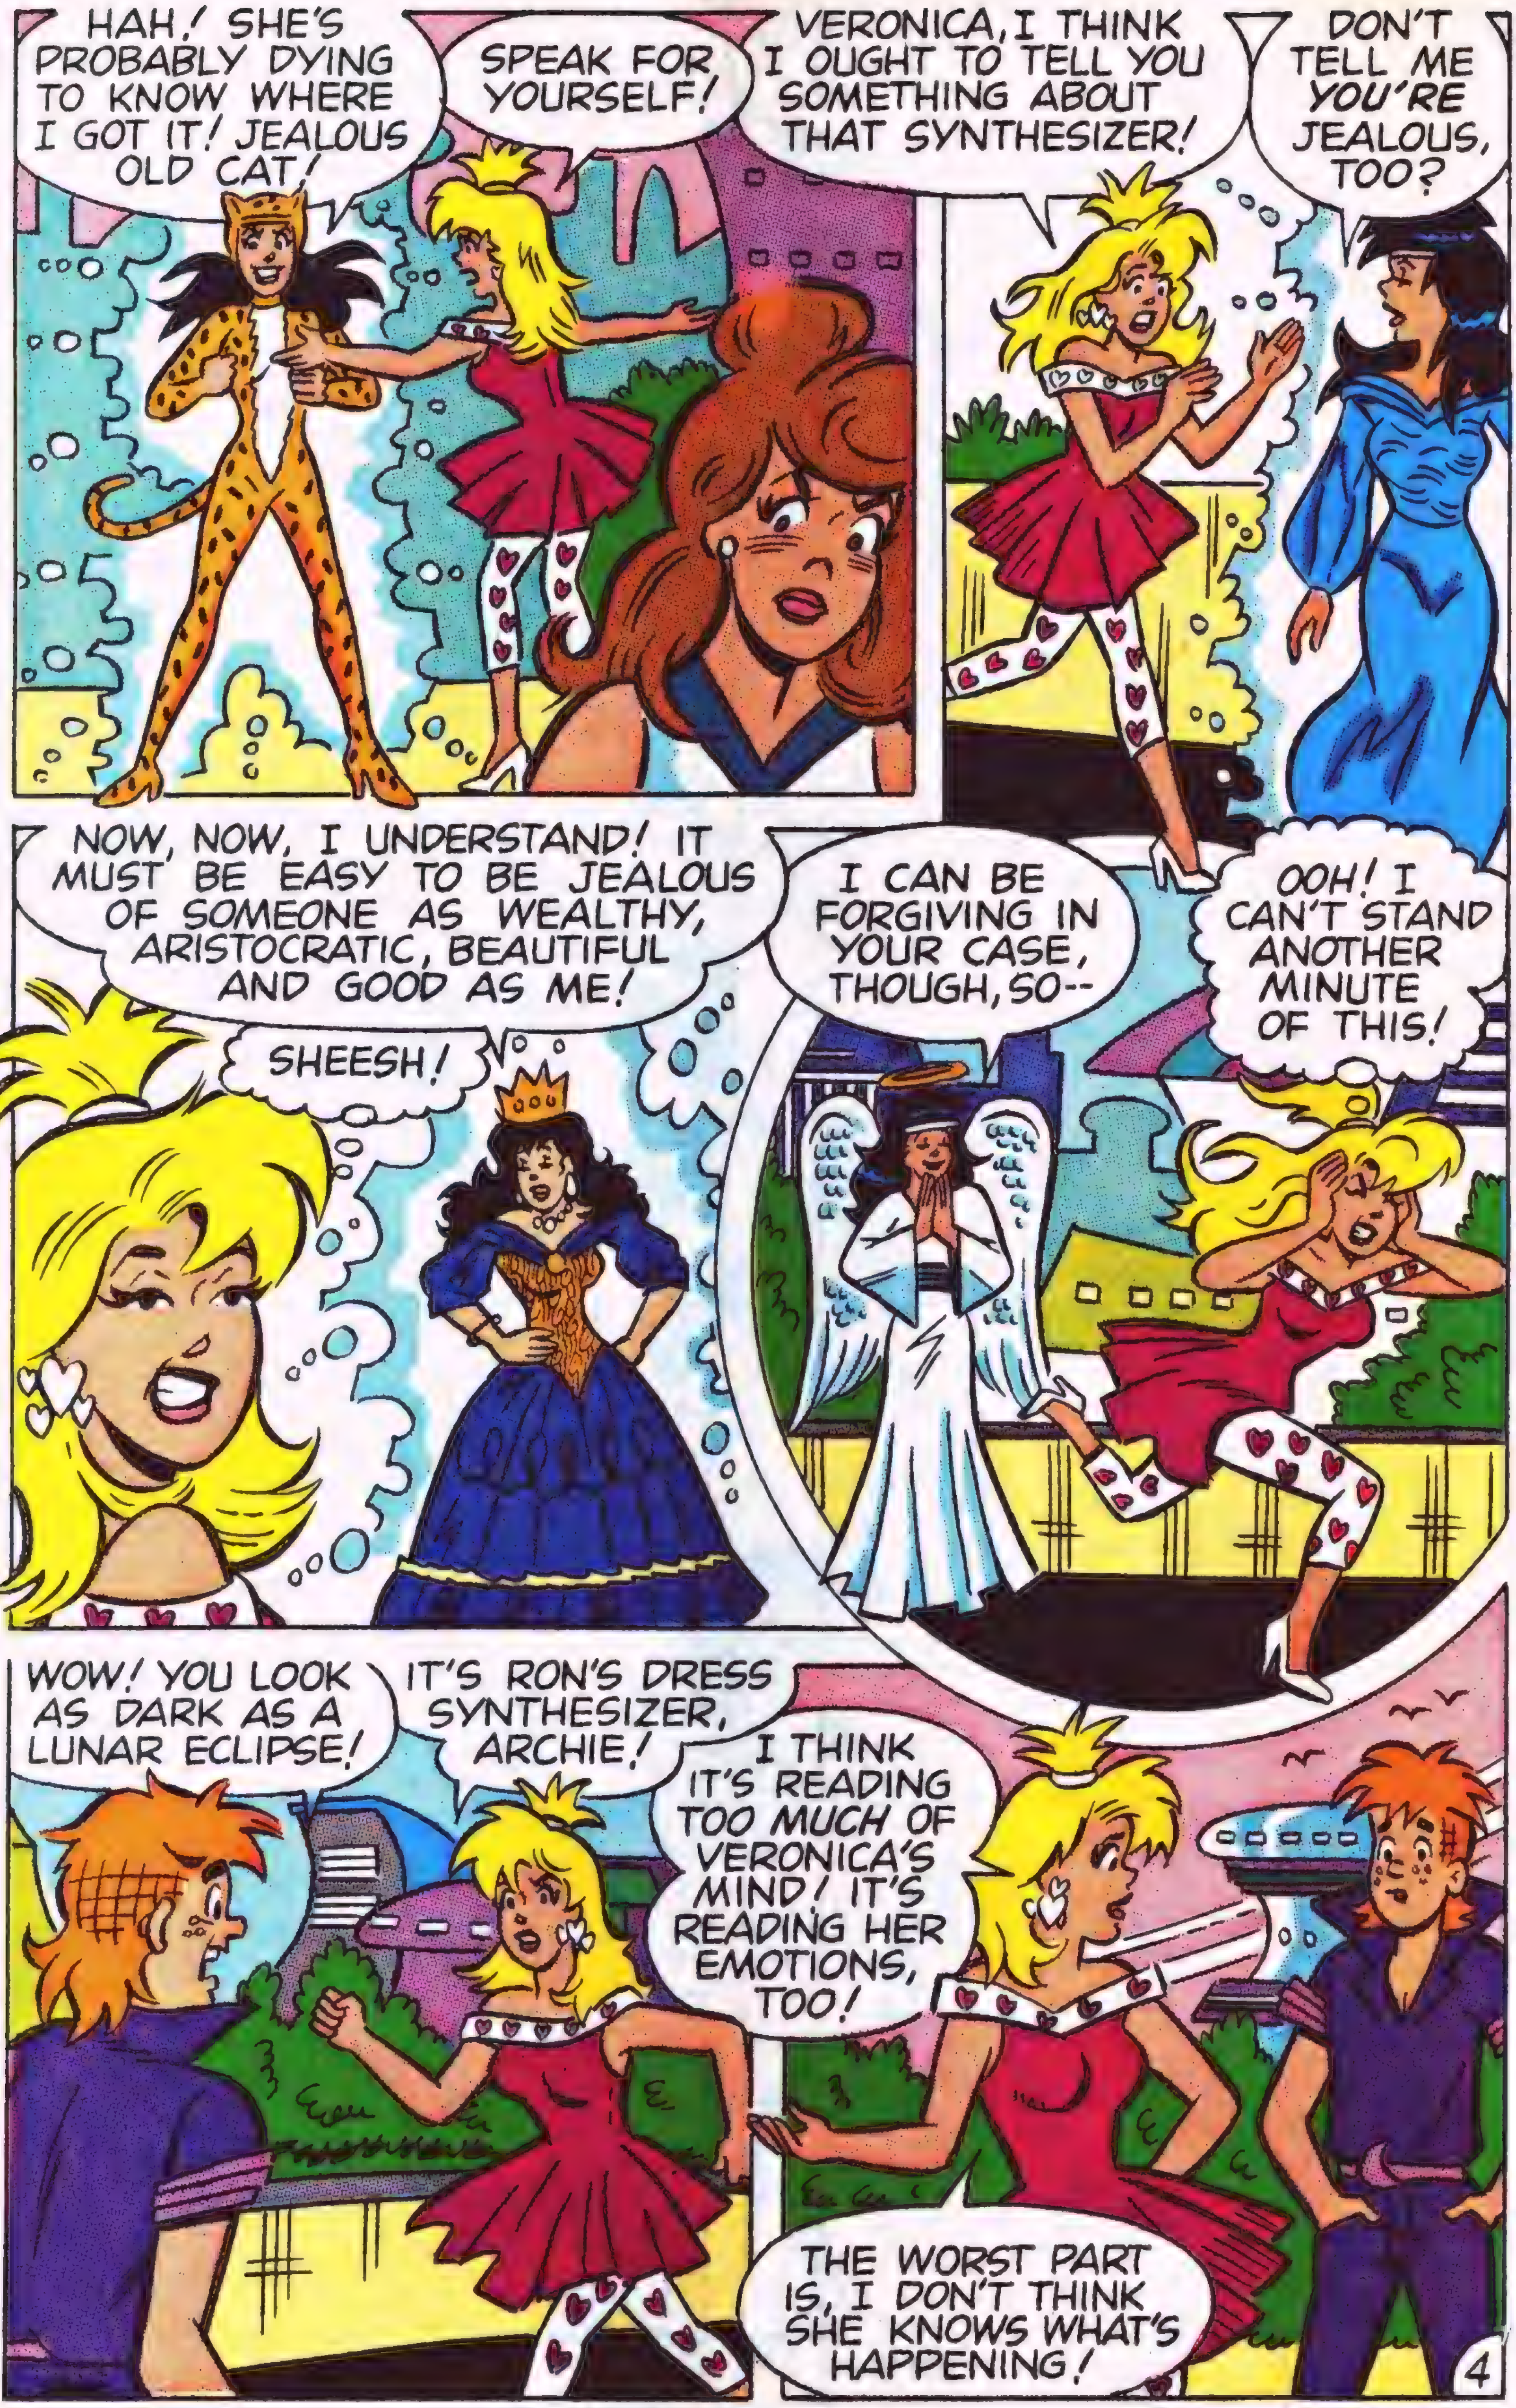
VERONICA, THAT OUTFIT! WHAT AN UNBELIEVABLY BEAUTIFUL CREATION! WHERE DID YOU GET IT?
WHY, I JUST THOUGHT IT UP MYSELF!
Archie 3000!
"YOU ARE WHAT YOU WEAR!"
SCRIPT: KATHLEEN WEBB • PENCILLING: DAN PARENT • INKING: RUDY LAPICK
YOU MEAN, YOU DESIGNED IT, AND THEN HAD IT MADE BY ROBO-DRESSMAKER?
NO, SILLY, JUST WHAT I SAID!
I THOUGHT IT UP MYSELF WITH MY DRESS SYNTHESIZER!
YOUR-- WHAT?

DRESS SYNTHESIZER! HERE, SEE? IT'S ALL IN THIS SILVER HEADBAND AND TINY COMPUTER!
OH, YEAH! NOW I REMEMBER! THEY'RE HORRIBLY EXPENSIVE!
HOW DOES IT WORK?
I PICTURE IN MY MIND AN OUTFIT, THE HEADBAND READS MY BRAINWAVES, THEN RELAYS THEM ON TO THE SYNTHESIZER...
...WHICH THEN REARRANGES THE MOLECULES OF MY GARMENT TO MATCH MY THOUGHTS!
WOW!
IT GOES AROUND AND AROUND, AND IT COMES OUT ON VERONICA!
YES! SO EVERY DRESS IS AN EXCLUSIVE CREATION...
...A UNIQUE DESIGN THAT EXPRESSES THE TRUE VERONICA LODGE!
OH! THERE GOES ARCHIE!
WHAT? WHO'S THAT RED-HEADED GIRL WITH HIM?
R-RON-- YOUR DRESS!
2

NEVER MIND MY DRESS! WHO IS SHE?
W-WHY-- IT'S ONLY HIS COUSIN! SHE'S IN TOWN VISITING THE FAMILY!
FIRST OR SECOND COUSIN?
F-FIRST! C-CALM DOWN, RON!
DON'T YOU REALIZE YOUR DRESS JUST CHANGED TO--
HUSH, BETTY! HERE COMES THE TOWN'S BIGGEST GOSSIP, JACKIE SLANDUR!
GIGGLE I'D LOVE TO REALLY GIVE HER SOMETHING TO TALK ABOUT SOMEDAY!
SHE'S FORGOTTEN ABOUT HER DRESS AGAIN!
I THINK IT MIGHT BE SOON!
HEL-LO, BETTY DEAR, VERONICA LOVE!
VERONICA, JUST WHERE DID YOU GET THAT DRESS?
OBVIOUSLY NOT WHERE YOU GOT YOURS, HONEY!
OBVIOUSLY!
THIS IS SO EXCLUSIVE, THERE'S ONLY ONE LIKE IT IN THE WORLD!
THANK HEAVEN FOR THAT! TOODLE!
SHE ALMOST LOOKS NATURAL!
3



HAH! SHE'S PROBABLY DYING TO KNOW WHERE I GOT IT! JEALOUS OLD CAT!
SPEAK FOR YOURSELF!
VERONICA, I THINK I OUGHT TO TELL YOU SOMETHING ABOUT THAT SYNTHESIZER!
DON'T TELL ME *YOU'RE* JEALOUS, TOO?
NOW, NOW, I UNDERSTAND! IT MUST BE EASY TO BE JEALOUS OF SOMEONE AS WEALTHY, ARISTOCRATIC, BEAUTIFUL AND GOOD AS ME!
SHEESH!
I CAN BE FORGIVING IN YOUR CASE, THOUGH, SO--
OOH! I CAN'T STAND ANOTHER MINUTE OF THIS!
WOW! YOU LOOK AS DARK AS A LUNAR ECLIPSE!
IT'S RON'S DRESS SYNTHESIZER, ARCHIE!
I THINK IT'S READING TOO *MUCH* OF VERONICA'S MIND! IT'S READING HER EMOTIONS, TOO!
THE WORST PART IS, I DON'T THINK SHE KNOWS WHAT'S HAPPENING!

"LADY ZULU'S HAIRDOS ARE NOT HAIR AT ALL! IN REALITY, THEY ARE MOLDIDIAN FUNGUS PEOPLE THAT SHE HAS SOMEHOW FORMED AN EVIL PACT WITH!"

ZULU'S
I AGREE!

ZULU'S
"AS MORE AND MORE PEOPLE BECOME OPEN TO A HAIRCUT SUGGESTION BY THE SPORES THEY COME TO LADY ZULU'S BOUTIQUES! SHE CONSTANTLY MAKES NEW SLAVES, AND THEN SENDS THEM OUT TO ENSLAVE MORE PEOPLE!"
SNIP SNIP
RIGHT THIS WAY, DON'T DELAY!

AND THEY GROW BACK QUICKLY DUE TO THE FUNGUS PEOPLE'S RAPID REGROWTH PROPERTIES!
SORRY, DILTON! BUT I CAN'T BELIEVE THAT THERE'S "FUNGUS AMONG-US"! AND WHY WEREN'T WE AFFECTED?
I DON'T KNOW, UNIQUE BODY CHEMISTRIES? I HAVEN'T FIGURED IT OUT... YET!

Dear Archie Readers:

Hi! My name is Scott Fulop, and I'm the editor of ***Archie 3000***. Over the past two years, I've been working very closely with Managing Editor Victor Gorelick to bring you the best stories you've ever read!

At the beginning of each chapter of this special story, you have no doubt read the words "***script-off***," written before the story credits are given. You may have asked yourself, "Just what is a 'script-off,' anyway?!" Well, I'm here to tell you! A script-off is when one writer scripts a chapter of a story and leaves the characters in a wild predicament by the chapter's end. It is the next writer's job to get those characters out of that predicament, further (or change) the ideas of the story, and set up a ***new*** predicament by the end of his chapter. The story may be continued for several chapters in this manner until the last writer pulls all the ideas together and concludes the story.

In the "***Young and the Tress-less***," I started out by having writer/artist Dan Parent design a cover for the story. Writer Rich Margopoulos then used that cover as his inspiration for the first chapter of the story. I thought Rich's ideas were so funny and unique, that I decided to script the second chapter myself! As I got Archie and Jughead out of their wild dilemma, I set up the next crisis for writer Bill Golliher. Finally, writer Robert Fleming saved the day and brought the story to its hilarious climax. All of the writers had a lot of fun scripting this story, as none of them knew how the story would end until the last writer wrote his chapter!

Well, there you have it—the explanation of what made this issue's story so unique. I hope you had as much fun as we did. If you'd like to see more script-offs, or you just feel like commenting on ***Archie 3000***, send your letters to:
